

Part 1: Model Answer

Do you like making new friends?

I do actually. I love meeting people from all walks of life and hearing their stories and about their culture. I realise that nowadays I make most of my friends through rock climbing- which is my favourite hobby. It's a nice way to make new friends because you have a shared interest and it's a relaxing way to get to know someone new.

Useful language

Social butterfly

Someone who loves making new friends.

*"I'm quite a **social butterfly**, so I love meeting new people and forming connections."*

Form meaningful relationships

Relationships that you feel are significant to your life.

*"I value making new friends as it gives me the chance to **form meaningful relationships**."*

Get along with

You are friendly and compatible.

*"I usually **get along with** people easily, so making friends comes naturally to me."*

Introverted

Someone who is shy.

*"I'm rather **introverted**, so I don't feel comfortable making new friends often."*

Keep myself to myself

To be shy and enjoy your own company more than being with others.

*"I'm quite shy and prefer to **keep myself to myself**."*

Tight-knit group of friends

A group of close friends.

*"I already have a **tight-knit group of friends**, so I don't feel the need to meet new people often."*
