

Part 1: Model Answer

Which is your favourite room in your home?

Hmm, which is my favourite room? Probably, the living room. I've got a **spacious** living room with lots of sofas and a projector for watching films. I like to spend my evenings there as it's a comfortable space with relaxed lighting that helps me to unwind before going to sleep.

Useful language

Spacious

Having a lot of space.

*"The living room is **spacious**, so it's perfect for hosting guests."*

Neat and organised

Clean and arranged in a tidy way.

*"My office is **neat and organised**, which helps me concentrate better."*

Minimalist and calming

Simple and without too many decorations, making it peaceful.

*"The **minimalist and calming** design of my bedroom helps me feel less stressed."*

It's the perfect place to... [activity]

"It's the perfect place to read and unwind."

I always feel... [adjective] when I'm in this room.
