

Part 1: Model Answer

Would you always like to live in this city?

Actually, I'd love to move to Vancouver. I've never been, but I've heard that it's a very nice place to live. Friends have told me that the weather isn't great, but that it's a very friendly city, and there are lots of beautiful places to explore nearby.

Actually, I love my city and I have no plans to move in the foreseeable future. My family are here, I've got great friends, and I love the climate.
